Jean Ginsberg 1930-1932
42 , Av de Versailles – Paris.
Sur un parcellaire traditionnel haussmannien, une architecture moderne.

BERLIN 1993

Märkisches Viertel

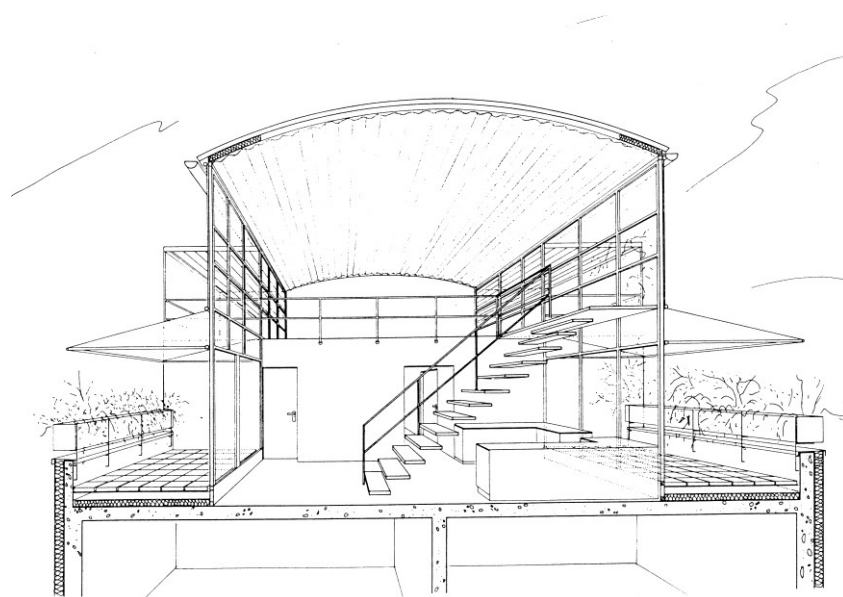

projet non réalisé

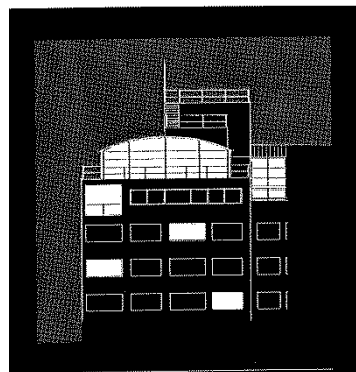

Maître d'ouvrage :

GESOBAU

Création de 120 logements avec le
rehaussement des bâtiments

Création de 10 baux communs au rez-
de-chaussée

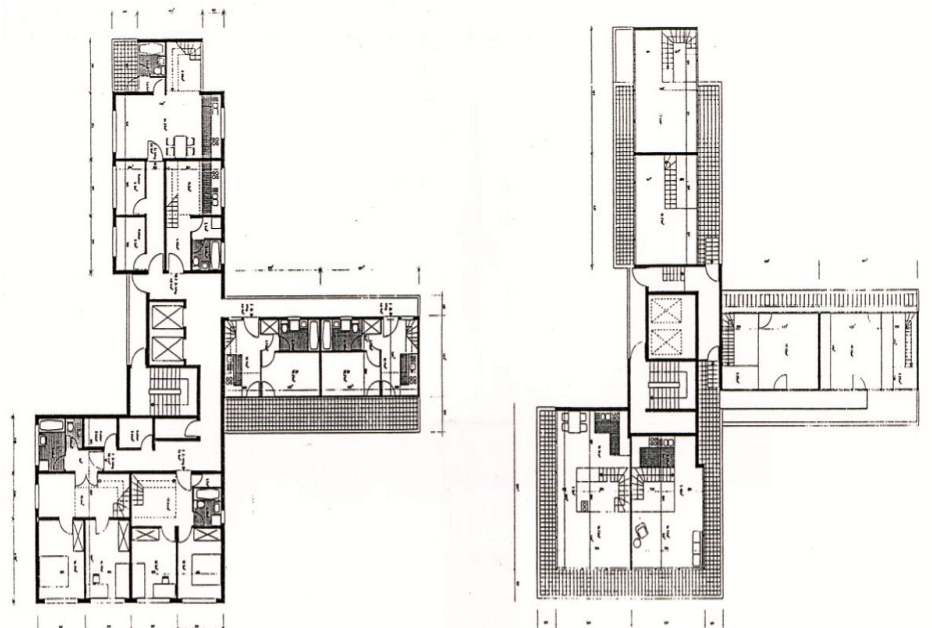

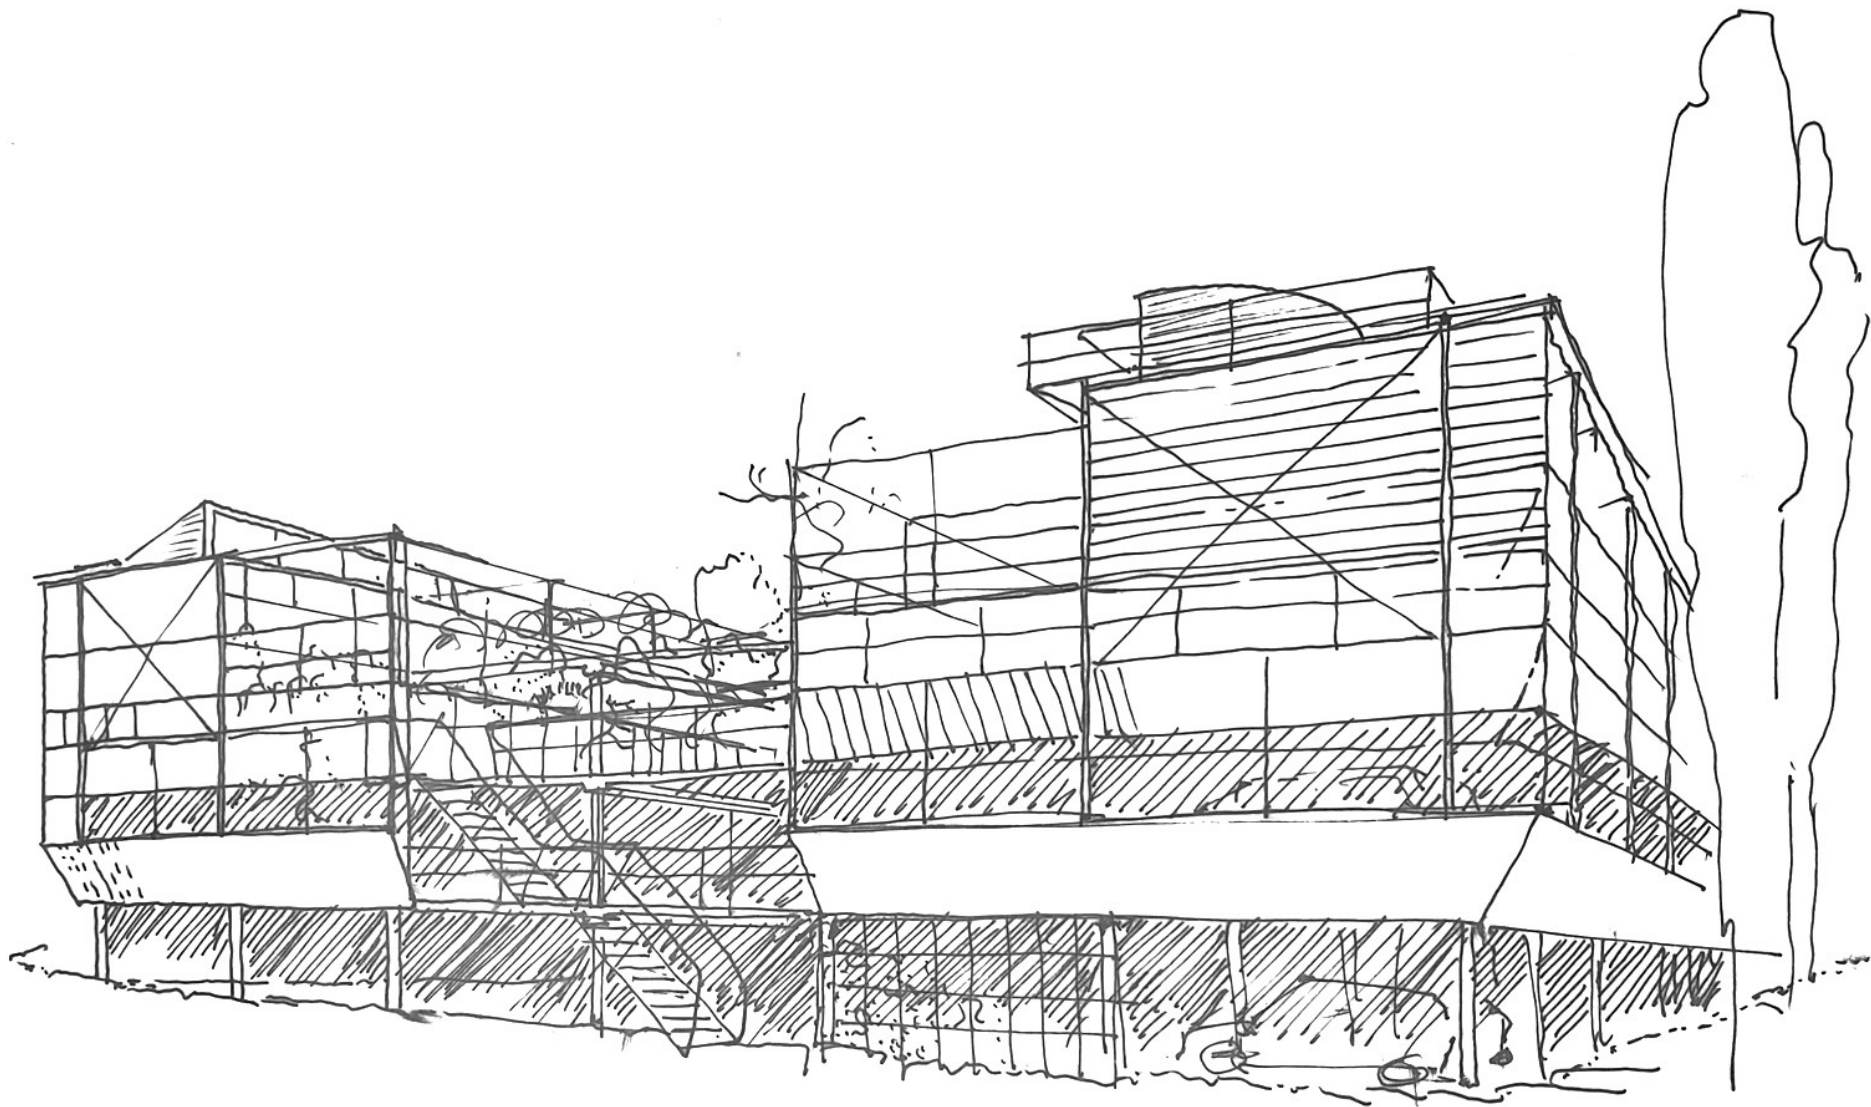

BERLIN

Märkisches Viertel

Rehaussement projet non
réalisé

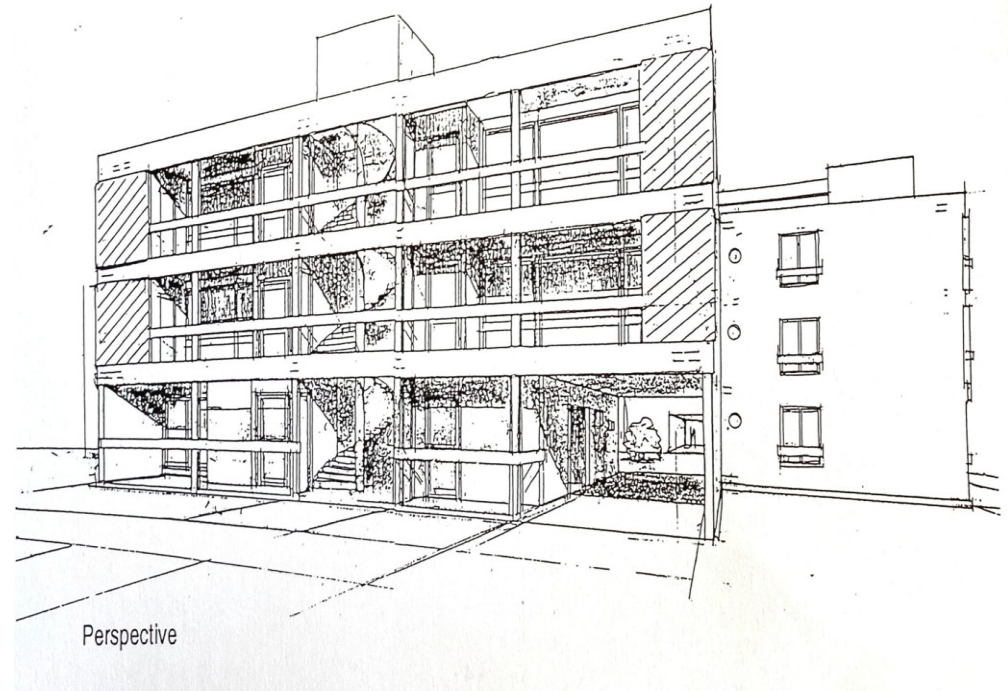

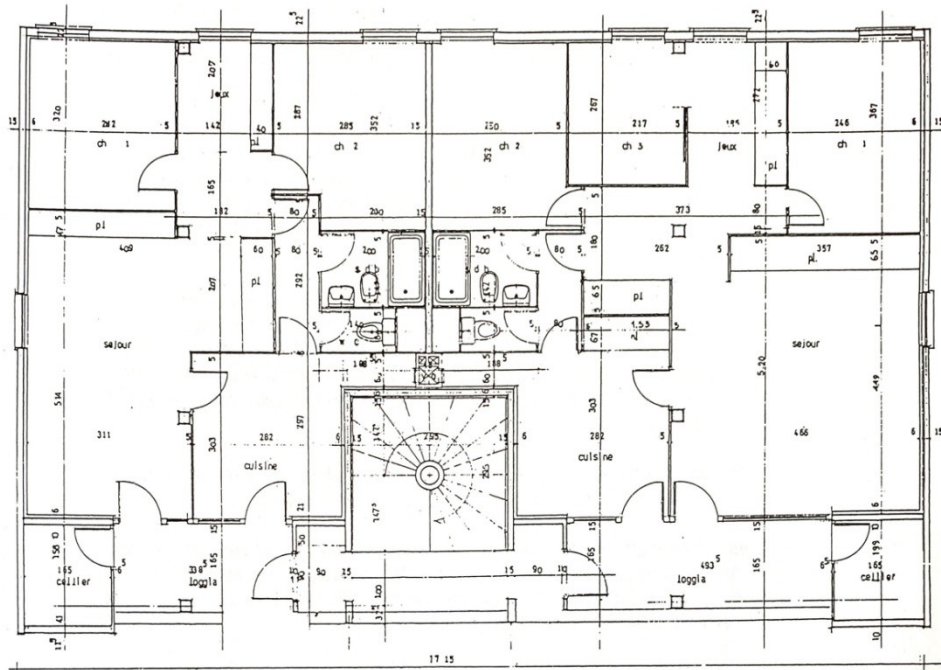

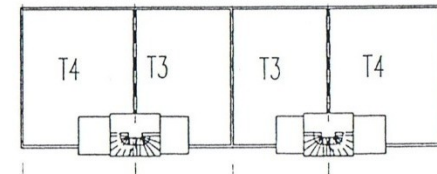

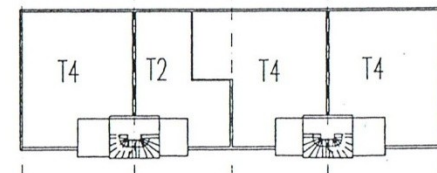

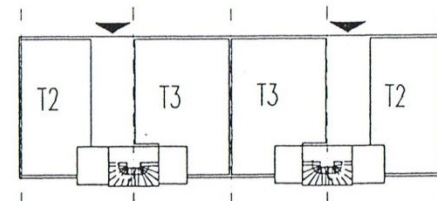

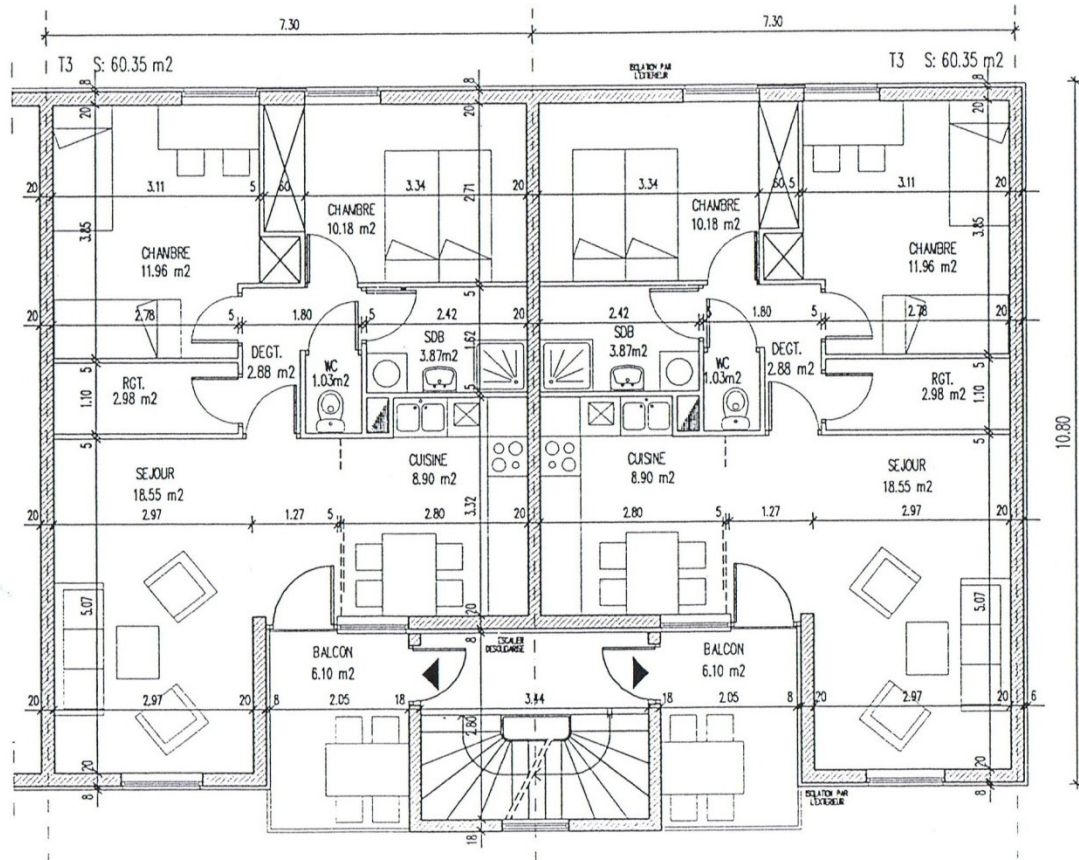

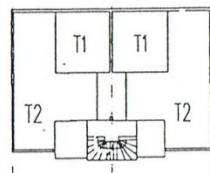

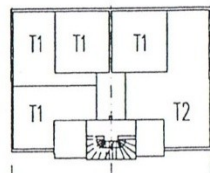

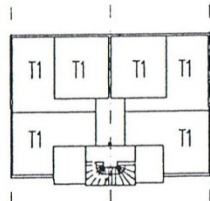

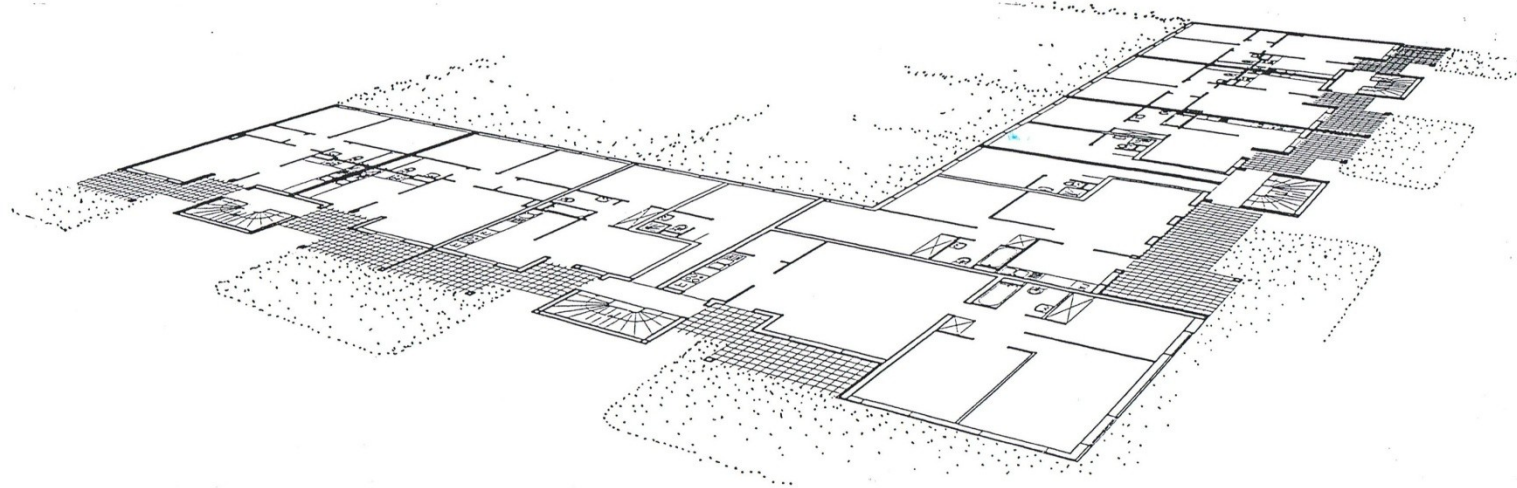

Projet de référence de l'architecte Pingusson,
réalisé à Noisiel.

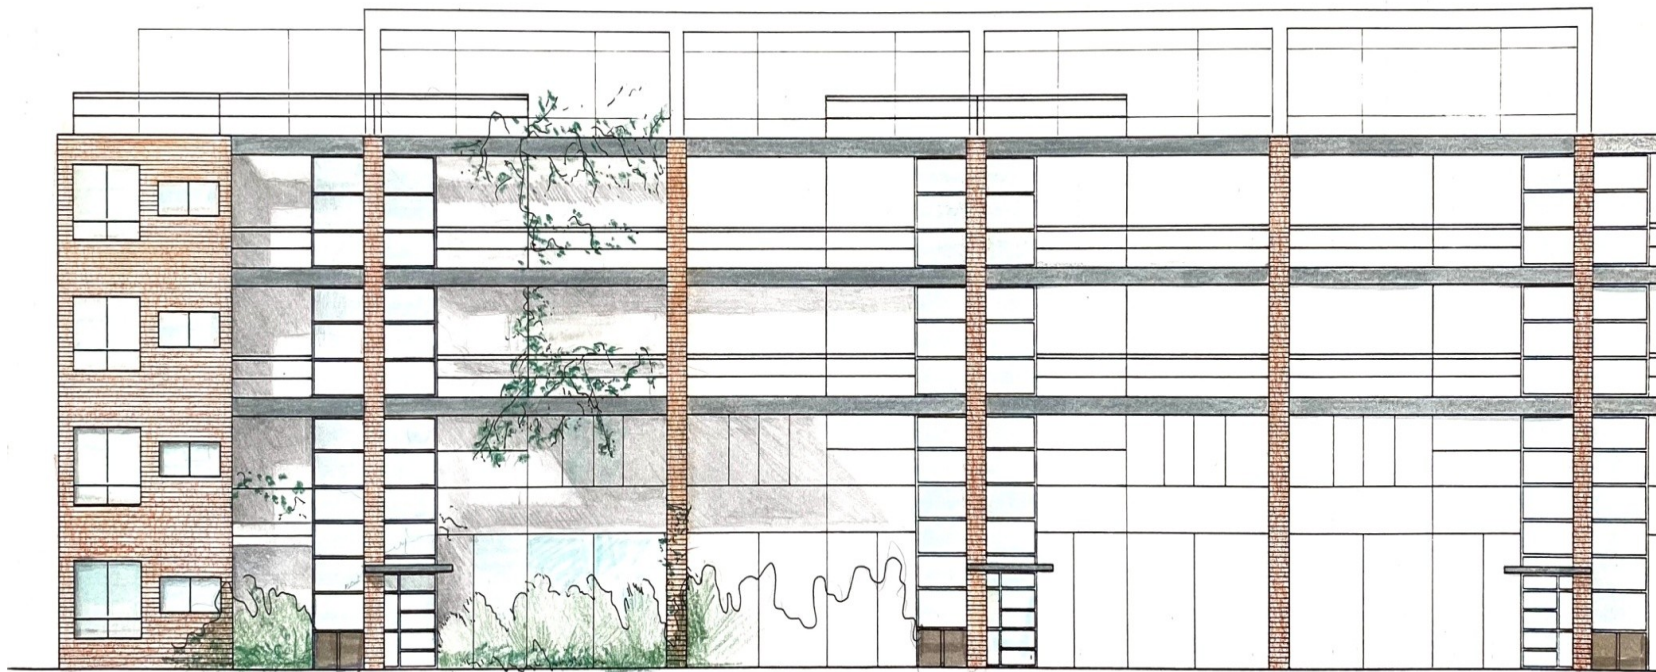

La desserte des logements par une loggia qui
est desservie par une escalier extérieur .

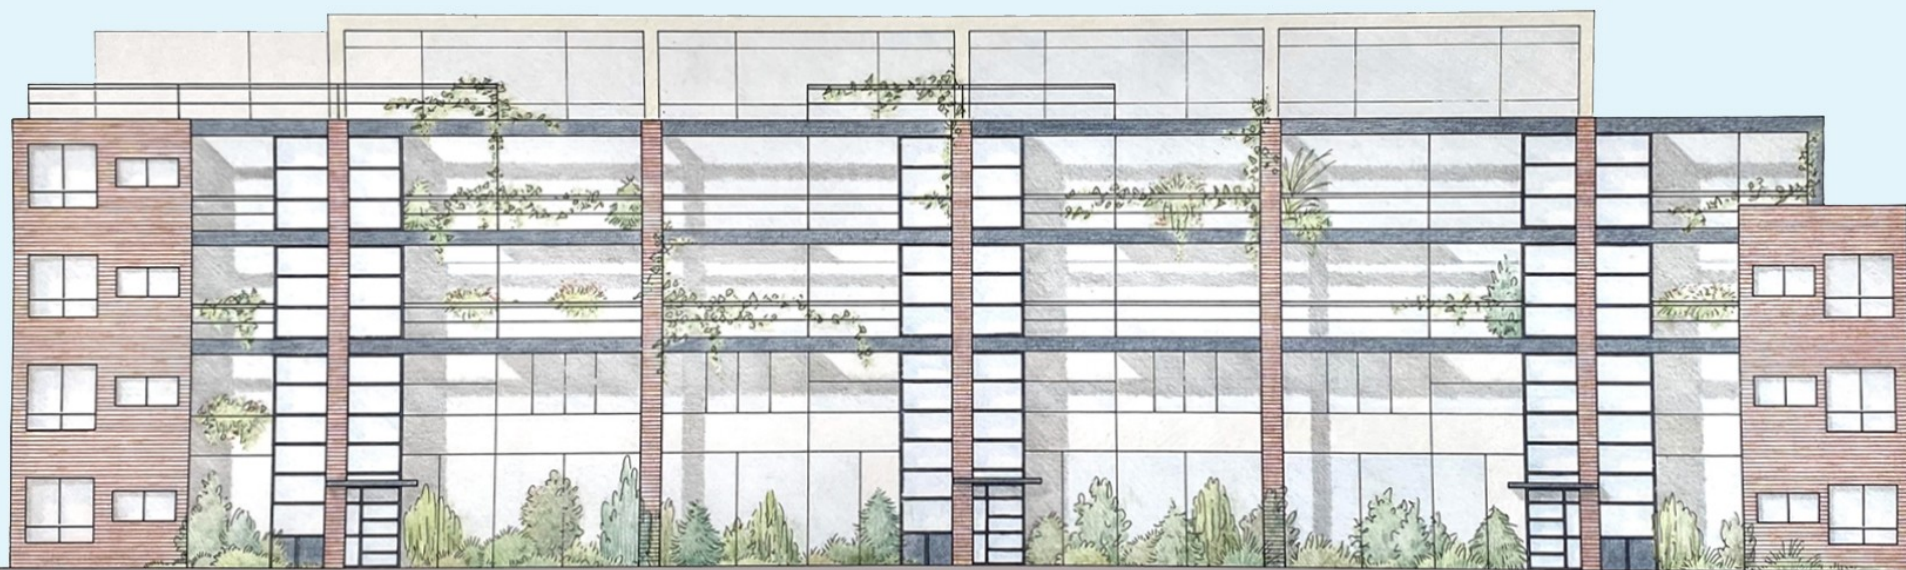

Cette réalisation a confirmé la pertinence du
concept.
